

It's complicated: A podcast about Healthcare Ethics in Practice Series 5, Episode 4: Trust between health care providers

Host for this episode: Marika Warren

Guests: Francis Bakewell

DISCUSSION QUESTIONS

- How may trust or distrust manifest in the health care setting?
 - In the patient-provider interaction?
 - In the interaction between providers?
- What are some of the systemic factors that may impact trust relationships between health care providers?
- How might silo's in health care impact patient care and patient trust in health care?
